Reaching Out to the Community

Outreach opportunity seized! Saturday, May 14, 2022, churches of different denominations, multiple dozens of vendors, and the churches of Allendale-Hampton Baptist Association were on the field at the Hampton Community Field Day held at the Wade Hampton Athletic field. Pictured is the Allendale-Hampton Baptist Association table just before the event began. In the background is the jumping castle from the Good News Trailer. Though some of our churches had individual booths, I represented all of our churches in the AHBA booth.

Our main purpose was to invite individuals and families to attend Vacation Bible School this summer and to visit one or more of our churches. I gave out 69 Vacation Bible School brochures to families, each brochure with a conversation. The brochure gave all the details about each VBS for which I had information. It was a joy to meet people, give gifts and to tell folks about Jesus. Helping children with the bean bag games was fun too!

Please join me in prayer that our Vacation Bible Schools will have more visitors than usual. Pray that they will feel welcome and be drawn to the Savior. And pray that we all will seize more outreach opportunities.

Darrell

ABC Regional Hispanic Ministries Report

As the thermometer rises in the spring, the number of farm workers in our area rises as well. These few weeks of late spring and early summer are hectic as we try to visit as many of the workers present in our area as possible. A few days ago, I visited a new location with one of the members of Nueva Esperanza. We had learned of this camp by word of mouth the same day we went to see the workers there. We introduced ourselves, gave them health kits, and shared the Gospel with them briefly. As we left, I realized that we had tried to locate these same workers in previous years, but we had been unable to find them. The Lord had led us to them in an unexpected way. I was reminded once again that God is constantly opening doors for us to serve others and share the Good News, if we will only walk through them. Would you join me in praying for the workers who are receiving health kits and hearing the Gospel this spring? Pray that many would turn to Christ in faith. Pray that the Lord would continue to open doors for us to share the Good News.

As always, thank you for your prayers and support of ABC Regional Hispanic Ministries.

MODERATOR'S THOUGHTS**By Rev. Dr. Tommy Kelly****Remember We Are All Called to be God's Children**

During the last two years, racial and other tensions have been heightened throughout most social arenas in America. However, a brief investigation of such aggressive movements such as Black Lives Matters and Critical Race Theory can cause one to shutter at these movement's origins. The Black Lives Matters movement is closely aligned with the transgender advocates. This is direct contradiction to God's plan and purpose for any individual.

Another contemporary organization that is in direct opposition to Christian principle is Planned Parenthood. Margaret Sanger, Planned Parenthood's founder, was a guest speaker to the Wives of the Ku Klux Klan and had an affinity to Adolf Hitler's eugenics. Also, Planned Parenthood is responsible for more deaths of black babies than any historical massacre of adults. Therefore, Planned Parenthood is racist in origin and should be suspended immediately.

Equally anti-Christian in its origins is Critical Race Theory or CRT. While scripture states that all people are fearfully and wonderfully made regardless of race, CRT states that one race is born an oppressor or is opposed. Nothing one does within one's life can change this stigma according to CRT. This is in direct opposition to the life changing of the Bible as well as Martin Luther King's statement that one should not be judged by the color of their skin but by the content of their character.

From these and numerous other social movements, it is obvious that the world is searching for some type of change. Although Christians can be credited with many mistakes, we possess the solution to all social injustice. It can all be found through a life-transforming relationship in Christ. Christians are saved by grace through Christ not by the pigment of their skin or by being born in an oppressive or oppressed group. We are all called to be God's children so let's put Christ first and be what He desires.

In Christ,
Tommy Kelly
